

# HUNTLY CASTLE EXPLORER QUIZ

Explore the castle with this fun, fact-finding mission.

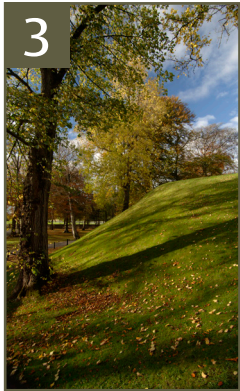

Remember to ask a steward if you need any help.

Huntly's owners had their names carved on the castle. What were they called?

How many stars can you count carved on the grand front of the castle?

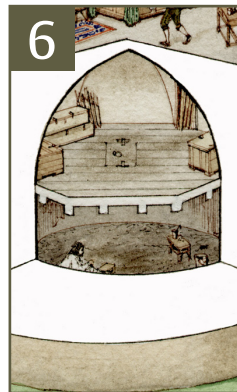

The first castle here wasn't called Huntly Castle. What was its name?

Three animals are carved over the door. Do you think they are dogs or wolves?

Name two other animals in the carvings over the door.

Find the castle's dark, dank prison. How many people are in it?

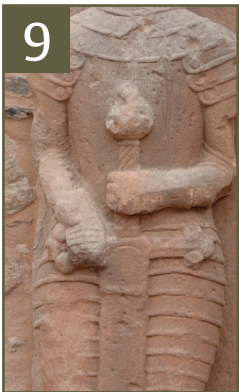

7

Find the fireplace with this man carved on it. Can you draw the shape of his hat?

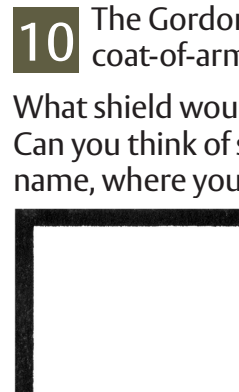

8

The castle got a makeover around 1600. How long ago is that now?

9

How many knights guard the fireplace on the top floor of the palace?

10

The Gordons put their family coat-of-arms all around the castle.

What shield would you draw for yourself? Can you think of some symbols about your name, where you live or things you like?

11

Explore the buildings in the courtyard. What was the room called where bread was baked?

Need a clue? Look here:  
 1. Look up on the front of the castle. There's a man's name and a woman's name carved into the stone. 2. Don't count the flowers that look a bit starry! 3. A bit like something that comes out of your nose! 4. We don't really know - what do you think? 5. Some might not be real. 6. Keep going down stairs to the lowest bit of the castle. 7. Second floor of the palace. 8. You'll have to do the maths! 9. Second floor of the palace. 10. You can get ideas from the shields carved around the castle. 11. Next to the brewhouse.
